Sinegal's 2018 Cabernet is a wonderful expression of a superb Napa Valley vintage; exhibiting elegance, power and purity. The nose has enticing aromas of baked blueberry crumble, ripe blackberries, with notes of sweet leather and baking spice. The wine is inky dark and concentrated with flavors of black cherry, dark chocolate, and hints of dried thyme. The wine leaves a lasting impression on the palate with supple tannins, rich blue fruits, and has lift and length from the bright acidity. Upon opening the wine delivers impressive aromas, flavors and texture, but is worthy of ageing for over a decade.

Thirty majestic acres in the heart of Napa Valley – once a welcoming landmark for the Pony Express – is now home to the Sinegal Estate Winery.

The philosophy of our founders, Jim & David Sinegal, is to honor both tradition and innovation. They have fully restored the 1881 Victorian home and its companion guesthouse on the estate and are taking meticulous care farming the twenty-plus year-old vines they inherited when they purchased the historic property in 2013.

And they have shown an equal commitment to making the best wine possible, integrating innovation and technology into winemaking practices; our new state-of-the-art winery is replete with an optical sorter and custom-built automated fermentation tanks and our process involves no less than 1,403 steps from vine to bottle.

Proprietor, David Sinegal, and Winemaker, Ryan Knoth, are both steadfast in producing wines approachable in their youth (yet fit to age) that capture the true spirit of our magnificent estate. A Bordeaux varietal house at heart, Sinegal Estate produces an exquisite Cabernet Sauvignon, Reserve Cabernet Sauvignon, Sauvignon Blanc, and some of the best Cabernet Franc the Napa Valley has ever seen.
