ANTONIO GALLONI, VINOUS: 98

The 2019 Sinegal Cabernet Sauvignon is a carefully crafted wine produced from premium fruit off our estate property in addition to select vineyard sources throughout Napa Valley. This wine delivers exceptional power, class, and beauty; all hallmarks of Sinegal's signature style. Aromas of ripe raspberry, licorice and mocha radiate from the glass, followed by subtle hints of brown sugar and baking spice. On the palate, there is a wonderful balance of fresh fruit, lush tannins, and a deep, lingering finish. Flavors of red cherry and plum jam are met with clove and sweet leather undertones. This polished wine is full of intensity, richness and style and is a superb example of a classic Napa Valley Cabernet. The 2019 Cabernet Sauvignon will not only drink well in its youth but will also age with grace over time.

Thirty majestic acres in the heart of Napa Valley – once a welcoming landmark for the Pony Express – is now home to the Sinegal Estate Winery.

The philosophy of our founders, Jim & David Sinegal, is to honor both tradition and innovation. They have fully restored the 1881 Victorian home and its companion guesthouse on the estate and are taking meticulous care farming the twenty-plus year-old vines they inherited when they purchased the historic property in 2013.

And they have shown an equal commitment to making the best wine possible, integrating innovation and technology into winemaking practices; our new state-of-the-art winery is replete with an optical sorter and custom-built automated fermentation tanks and our process involves no less than 1,403 steps from vine to bottle.

Proprietor, David Sinegal, and Winemaker, Ryan Knoth, are both steadfast in producing wines approachable in their youth (yet fit to age) that capture the true spirit of our magnificent estate. A Bordeaux varietal house at heart, Sinegal Estate produces an exquisite Cabernet Sauvignon, Reserve Cabernet Sauvignon, Sauvignon Blanc, and some of the best Cabernet Franc the Napa Valley has ever seen.
